

LOVEVADOS

APPLE BRANDY

25% ABV (50 PROOF)

THIS IS ALCOHOLIC BEVARAGE

What is LOVEVADOS?

- * using locally grown quality apple only
- * using about 15 apples to make 500ml bottle.
- * fermenting with wild yeast that collected in world natural heritage site “Shirakami Sanchi”
- * clear color and fresh apple taste by not using wooden barrels
- * ABV 25%.

Recommended ways to serve

Try straight or on the rock for the first time in order to know what it taste like.

More casual and refreshing ways to serve is that you put half soda or tonic water in , garnish with lime or mint.

We secretly enjoy putting a few drops into coffee or vanilla ice cream.
