Takahashi Sake Brewery
Co., Ltd.

Product information

龍

高橋酒造株式会社

We have created a premium Daiginjo sake that is made using Yamada Nishiki rice and pursued a refined and refreshing taste with a clear and crisp flavor. We have renewed the first-generation brand "Gyokusetsu".

Taste

This Daiginjo sake has a refined, elegant and sharp taste. With a modest and refreshing aroma, it pairs exceptionally well with simple and salty foods. It is a versatile flavor that can be both a supporting actor and a main character in any meal
